Pharmacist | Medical Marketing Professional | Full-Stack Marketer | Brand Growth Architect

Cairo / Al-Faiyum, Egypt | +201009852109 | 16491@must.edu.eg | linkedin.com/in/mohammedkamal-shaat

PROFESSIONAL SUMMARY

Results-driven Pharmacy graduate and Medical Marketing Professional with extensive experience in pharmaceutical operations, B2B/B2C sales management, HCP engagement, and KOL management. Demonstrated success in product launch execution, territory management, and omnichannel clinical campaigns for healthcare providers, with deep knowledge of therapeutic areas including dermatology, cardiovascular, and general medicine, and strict adherence to pharma compliance and regulatory requirements. Highly adept at bridging clinical knowledge with advanced digital marketing, CRM, and brand strategies to drive product visibility, engage Healthcare Professionals (HCPs), and maximize ROI by up to 35% in competitive markets. Proven track record of building brands from scratch, managing full-stack marketing operations, and leading cross-functional teams across Egypt, UAE, and KSA markets.

EDUCATION

Bachelor's Degree in Pharmacy

Misr University For Science And Technology (MUST) | Al-Faiyum, Egypt | 09/2005 – 06/2026

- Core coursework: Medicinal Chemistry, Pharmacology, Nephron Histology, and Clinical Pharmacy.

PROFESSIONAL EXPERIENCE

Full-Stack Marketing Manager

FLAVOW (Vape City & Vapsy Brands) | 05/2024 – Present | Abbasiya, Cairo, Egypt

- Architected the full brand identity of FLAVOW from inception — logo, brand guidelines, and visual identity system adopted across all sub-brands (Vape City & Vapsy).
- Managed full-stack marketing operations as Creative Director, Media Buyer, and Social Media Manager simultaneously for both brands.
- Built and launched the company's e-commerce platform and full product catalogs from scratch, increasing B2C online engagement by over 40%.
- Developed and implemented a complete CRM system, sales pipeline, and inventory management system in collaboration with the operations team.
- Planned and executed brand events, coordinating logistics, creative production, and on-ground activation.
- Managed Meta and Google Ads budgets using A/B testing frameworks, maximizing ROI by 35% and reducing cost-per-acquisition (CPA).
- Leveraged Google Analytics (GA4) and Meta Ads Manager to track KPIs and deliver data-driven performance reports to leadership.

Key Brands & Projects: FLAVOW (Parent Brand), Vape City, Vapsy, Flavow Store, Mr-Vape.

Founder & Lead Creative Director

Mada Kamal Creative Agency | 01/2022 – Present | Remote / Freelance

- Founded and manage a full-service creative agency delivering branding, motion graphics, social media management, paid advertising, and full-stack marketing for 20+ B2B and B2C clients across Egypt, UAE, and KSA.
- Bluecastle Caffee (UAE, Abu Dhabi): Complete brand identity (logo, menus, visual assets), all social media profiles, Meta & Google Ads, brand events management, and Google Maps/Waze listings — all managed remotely.
- Adoni's Clinics & Breath Beauty Centers: Full graphic design and branding — Adoni's for mid-market, Breath for high-end segment — distinct visual identities for each entity under the same parent company.
- Eagle Eye & Ghareeb Dentist: Full-stack marketing — branding, graphic design, social media, Meta & Google Ads, motion graphics, and content production.
- Kazoza Mix: End-to-end go-to-market strategy from brand launch through first 6 months post-launch, covering branding, social media, ads, content, and performance tracking.
- Klüger: Branding, graphic design, social media management, and paid advertising campaigns.
- Elon's, Green Planet, B Way Agency, MR Belal (El-Dynamo): Graphic design, creative direction, and full branding packages.
- MAJAL: Professional motion graphics content for brand communications.

- Achieved 25% average increase in conversion rates through A/B testing, audience segmentation, and UI/UX improvements.
- Collaborated with medical and healthcare clients on clinical campaign development and HCP-facing materials aligned with pharma compliance standards.

Key Clients: Bluecastle Caffee (UAE), Adoni's Clinics, Breath Beauty Centers, Ghareeb Dentist, Eagle Eye, Kazoza Mix, Klüger, Elon's, Green Planet, B Way Agency, MAJAL, MR Belal, H&M; Perfume's Store (KSA), Samir Tito Barber, Toy's Station Nursery, Avalance Auto Repair (UAE).

Marketing Manager & Motion Graphics Editor

Trade Point | 01/2022 – Present | Al-Faiyum, Egypt

- Managed all social media channels, paid advertising campaigns (Meta & Google), motion graphics, and video editing for Trade Point and its client portfolio.
- Identified and secured key accounts including Instires and Al-Tayeb Trading through business development initiatives, subsequently scaling them into major contracts.
- Directed sales and call center teams, streamlining customer acquisition and improving client retention rates by 18%.
- Delivered detailed visual performance reports and market share analysis to support data-driven strategy decisions.

Key Clients & Projects: TradePoint, Majal, Nice Ads Agency, Instires, Al-Tayeb, Click & Set.

Digital Marketing Manager

Al-Tayeb Trading & Supplies (Instires) | 07/2023 – 08/2024 | Al-Faiyum, Egypt

- Oversaw all marketing, sales, and customer operations for Al-Tayeb and its flagship brand Instires.
- Executed end-to-end paid advertising campaigns across Meta and Google, driving a 50% increase in social media engagement.
- Spearheaded the pre-launch campaign generating 5,000+ qualified leads through targeted digital campaigns and influencer activations.
- Managed KOL engagement strategy with 15+ Key Opinion Leaders, expanding brand reach and penetrating new market segments.
- Oversaw CRM management, customer support, and call center team; led website development and ongoing management.
- Increased overall sales and ROI through performance marketing optimization and data-driven budget allocation.

Key Brands & Projects: Instires, Al-Tayeb.

Marketing Manager

Aldoha Engineering | 06/2018 – 07/2023 | 6th of October City & Al-Faiyum, Egypt

- Led all marketing operations over 5 years: social media, paid advertising (Meta & Google), motion graphics, and CRM management.
- Established a strong regional footprint, increasing qualified leads by 45% across the assigned territory.
- Optimized advertising budgets and delivered performance reports, reducing cost-per-acquisition (CPA) by 20%.
- Conducted market share analysis and competitive intelligence reporting to refine brand positioning and capture new accounts.

Key Clients & Projects: Aldoha Engineering, Summit View Real Estate, The Groove Strip Mall.

Medical Representative (Trainee)

LILLY Pharmaceuticals for Distributions | 2014 – 2015 | Al-Faiyum, Egypt

- Trained under Dr. Mohamed Osama Haroun (Pharmacist & Founder) in a specialized pharma distribution company focused on dermatology and skincare products across Al-Faiyum governorate.
 - Conducted field detailing and product presentations to dermatologists, GPs, and pharmacy staff across assigned territories.
 - Developed core competencies in HCP communication, medical detailing, objection handling, and closing pharmaceutical sales deals.
 - Managed territory coverage ensuring consistent HCP visits, relationship building, and account follow-up to secure and grow sales.
 - Gained exposure to pharma compliance standards, promotional material guidelines, and prescription-driven sales cycles.
 - Supported prescription data tracking and compiled field intelligence reports for territory management and account prioritization.
-

Pharmacy Operations Supervisor

Dr. Hamada Hamdi El-Gendy Pharmacy | 04/2015 – 11/2018 | Abswai, Al-Faiyum, Egypt

- Managed all daily pharmacy operations — dispensing, procurement, inventory control, and staff supervision — growing the single-branch pharmacy into a multi-branch pharmacy group.
- Spearheaded expansion by developing supplier relationships and scaling procurement to support the multi-branch transition.
- Managed OTC medications and skincare product lines, ensuring optimal availability, visual merchandising, and patient recommendations.
- Utilized prescription data analysis and sales-trend monitoring to maintain 95% inventory accuracy and increase profitability by 15%.
- Counseled 80+ patients daily on Rx and OTC medications across multiple therapeutic areas; ensured full pharma regulatory compliance.
- Trained and mentored junior pharmacists and assistants on clinical protocols and compliance requirements.

Pharmacy Trainee (Senior & Junior)

Dr. Khalid Sayd Pharmacy & Dr. Rasha Said Pharmacy | 04/2013 – 04/2015 | Al-Faiyum, Egypt

- Acquired foundational training in pharmaceutical dispensing, OTC drug counseling, and prescription handling under licensed pharmacist supervision.
- Applied professional shelf organization (planograms), inventory stocking protocols, and supplier ordering processes.
- Handled patient-facing sales and counseling for OTC medications, cosmetics, and skincare products.
- Developed professional HCP interaction standards essential for patient safety and regulatory compliance.
